# JOHNNY DC SAYS: LET THE MAIL BEGIN!

Hi hi, animation fans! I'm Johnny DC, here to talk 'toons with you! PUFFY AMIYUMI gave a concert in New York City this summer, and DC Comics spared no expense to send me there to report on it for you. Of course, DC is also in New York and the concert was free, but it's the thought that counts.

It was the real deal, the live singers, Ami Onuki and Yumi Yoshimura. They wore pretty print dresses over tora jeans. They sang the "Teen Titans" theme song (I screamed) and their own theme song (I cried) and a bunch of songs from their new album, *SPLURGE*. A band of five guys, behind them, played guitars, drums, and keyboards.

One of the young women had dyed her hair and was soft spoken, so I guessed she was Ami. Of course, then she introduced herself as Yumi.

The show was too cool. Yumi and Ami talked between songs. Their English was pretty good, although they teased each other about pronouncing certain words. "E-vee-tu-ah!" they practiced, back and forth, for five minutes. "Shoppa," one said. "Shopi!" the other corrected her. (And they talked about the time their zippers fell open during a concert - Oops!)

I tried to interview them afterward, but they slipped out the back of the stage with their band. Maybe I scared them off by screaming "Teen Titans" at the top of my lungs for the entire concert. Oh well. Here are some of your letters and drawings:

DRAWING BY SUZANNE BUCHHOLZ, AGE 11

Dear Ami and Yumi,

I love your show so much. I am your number one fan. You are so good at playing. I hope to see you someday! I love your band so much.

My favorite episode is when Kaz enters the cats in a cat race. The great part was when Tokoi won the race!! That was cool. I love your cats so much. They are funny. In the first issue of your comic, your cats drive because Kaz isn't behind the wheel.

These are my favorite animals in the show. Jang King and Tokoi. What is your favorite animal? Mine is a cheetah. Do you really have cats?

Megan  
El Paso, Texas

Yumi has talked about their cats in interviews:

"...we really do have cats."  
"...if I got some time off,  
I'd just like to lounge  
around with my kitty."  
— Johnny DC

Dear DC Comics,

I like the HI HI PUFFY AMIYUMI comic book and also the record album. I also have their New Year's concert, taped off Cartoon Network way, way back in January, 2005. I loved their concert performance here in Portland, Oregon.

John E. Adams  
Portland, Oregon

Was Kaz in Portland?  
I didn't see him in New York.  
— Johnny DC

Of course, Ami and Yumi aren't the only awesome girls in this comic book:

Dear Buttercup,

Why do you wear green?

Grace McAllister  
Brooklyn, New York

Buttercup says, "Well, look at me in your drawing, Grace! Don't I look cool in green? What else would I wear?"
